From the author who has grown up around the Amish all her life:
***A fresh fiction series that explores what happens when
one young Amish woman must make the choice of a lifetime...***

With a vibrant style and authentic understanding of the Amish way of life, author **Suzanne Woods Fisher** brings readers into the world of a young Amish woman who is faced with a choice that will impact the rest of her life.

Suzanne Woods Fisher has straddled the world between the Amish and the English all her life: Many of her relatives are of a strict religious sect like the Amish, known as the Dunkard Brethren Church. Because of Fisher's ties to the Amish, she has made every effort to keep her storytelling authentic, showcasing the Amish's strong communities, their simple life-style and their willingness to put each other first. She is also the author of the nonfiction collection of stories about the Amish that came out in October, *Amish Peace*.

The Choice

January 2010, \$14.99

In her fiction debut, ***The Choice***, Fisher paints a moving picture of the decision Carrie must make as she comes of age: to follow the man she loves and leave the Amish community, or stay and marry another man. Her choice begins a torrent of change for her and her family, including

a marriage of convenience to silent Daniel Miller. Both bring broken hearts into their arrangement—and secrets that have been held too long.

Combined with Fisher's exceptional gift for character development, this novel, the first in the Lancaster County series, is a welcome reminder that it is never too late to find your way back to God—no matter what choices your past may hold.

Suzanne Woods Fisher's interest in the Anabaptist cultures can be directly traced to her grandfather, W. D. Benedict, who was raised in the Dunkard Brethren Church in Lancaster County, Pennsylvania. Benedict eventually became publisher of *Christianity Today* magazine. Suzanne's work has appeared in many magazines, including *Today's Christian Woman*, *Worldwide Challenge*, *ParentLife*, *Christian Parenting Today*, and *Marriage Partnership*. She has contributed to several nonfiction books and is the author of *Amish Peace* and two novels. Fisher resides in Alamo, California.

Revell, a division of Baker Publishing Group, offers practical books that bring the Christian faith to everyday life. They publish resources from a variety of well-known brands and authors, including their partnership with MOPS (Mothers of Preschoolers) and Hungry Planet.
