AMISH AND AWAITING TRUE LOVE

*Will she ever find the love that she's been
looking for in her Amish community?*

From author Suzanne Woods Fisher, who has written extensively about the Amish in books like *Amish Peace* and *Amish Proverbs*, comes ***The Waiting***, an endearing fictional story about an Amish girl, looking for love.

Jorie King has been waiting for Benjamin Zook to return home to Lancaster County so they can marry. When news arrives that Ben has been killed, Jorie finds comfort in the friendship of his brother Caleb. That friendship ripens into love, and it seems that they are meant to be together.

But when the unexpected happens, their worlds are turned upside down once more. Will Jorie trust God to lead her into the arms of a new man?

A multifaceted story about complex people living the simple life, *The Waiting* is the second book in the Lancaster County Secrets series. Readers will find themselves transported into the world of the Amish and deeply invested in these wonderful characters.
